HOLIDAY ROADS

Q-Link Gives You the AutoVantage

MARSHALL RENS

Summer's almost here, and millions of Americans are about to hit the road in search of relaxation or adventure. But before you climb in the car, you need to make sure your wheels can make the trip.

Q-Link's AutoVantage, located on The Mall's main menu, is your one-stop source of information on buying, selling, and maintaining your family car. Becoming an AutoVantage member will let you find out everything you need to know to make your trips in security and style.

Buying or Selling Your Car

AutoVantage's **New Car Services** area lets members save money and shop for a new car with confidence. Tell AutoVantage what make and model of car you are considering, and they'll send you a detailed summary with information about options, availability, and costs.

AutoVantage's team of experts will also tell you what it will take to keep your new car rolling, with annual estimates for gasoline, maintenance, repairs and insurance expenses. Use this information to bargain with the dealer of your choice, or if you prefer, AutoVantage will arrange for you to purchase your vehicle from a nearby dealer with savings of up to $2,000 on the sticker price.

Check News & Information's TraveLink before you go on vacation for information about events and festivals taking place near your travel destination. Listings by state will let you know about activities across the country!

Of course, if you're buying a new car, you'll probably want to sell your old one. Selling your used car privately will let you pocket the extra money you wouldn't receive from a dealer if you trade it in.

AutoVantage's **Used Car Services** will assure that you command top dollar when selling your car, or tip you off if the car you read about in the classifieds is overpriced. Just let them know the make, model, mileage, and options on the car in question, and Auto Vantage will provide a private selling price, or estimate what you can expect on trade-in.

Keep That Car Humming

You've got the car of your choice — now keep maintenance costs from biting into your budget. As an AutoVantage member, you're entitled to discounts of 10-20% from hundreds of participating service centers in your area — major manufacturers and service companies like Firestone, Goodyear, Maaco, and AAMCO. Just check the **Automotive Service Locations** listings for addresses, phone numbers, and discount information.

Take us along! Pack up your computer and enjoy Q-Link while you're away. Just check the Customer Service Center's Members' Online Guide for access numbers near your vacation area, change the access information on your disk, and you won't miss a thing while you're away!

Special Trial Membership Offer If You Join Now

You can save hundreds or even thousands of dollars by becoming an AutoVantage member. Regular AutoVantage membership costs $49 a year, but Q-Link members can get a three-month trial membership for just $1 if they sign up now.

Register in the **Member Sign-Up** area of AutoVantage; then try your AutoVantage membership benefits for three full months. At the end of that time, your membership for the next year will automatically renew, and you'll be charged the full annual fee.

Make AutoVantage *your* total car-ownership program, and take advantage of the trial membership offer today. You'll be glad you did when you head for the hills — or the beach, or the state park — in the months to come!

Q-LINK HONORS ITS STARS

In the VIQ Hall of Fame

What does Q-Link have in common with Nashville, Tennessee, Cooperstown, New York, and soon, Cleveland, Ohio? Those communities all have their own "Halls of Fame." Now, Q-Link salutes some of its most famous VIQ Club members in style as they're honored in the new **VIQ Hall of Fame,** located in Just For Fun's QSociety!

Each month, Q-Link's VIQs (Very Important Q-Linkers) nominate individuals they feel best embody the VIQ Club's spirit through their dedication to and support of the online community. Once the votes have been tallied, and the winner has been selected, he or she is honored as an outstanding member of the VIQ Club in the exclusive **VIQ of the Month** profile section.

Now, we've taken that a step further! Recent VIQ of the Month winners have taken a place of honor in the VIQ Hall of Fame, and VIQ Club members can browse the halls and meet the elite inductees.

How Many of These VIQs Have You Met Online?

Visit the VIQ Hall of Fame and find out more about such Q-Link notables as "Tim121," "Chilandra," "BIGSQUEEZE," "Grbblb," and "Taras2," people you've probably run into online in People Connection rooms, Auditorium events, and trivia games. In the VIQ Hall of Fame, you'll learn their true identities, what they do for a living, their favorite pastimes, and best of all, their favorite places online to hang out.

WILL JARRED

"Tim121," the November '89 VIQ of the Month, is Tim Fink, the manager of a Spencer Gift store in Greensboro, North Carolina. Tim has been a member of Q-Link for over a year, and has been an active VIQ Club member for nearly a year and a half. He hosts several VIQ game shows, and assists in general operation of the VIQ Club.

"Chilandra," is a library assistant from Indianapolis, Indiana. VIQs who attended the event will never forget the very successful VIQ Bash she organized and held in her hometown February 24 and 25!

January's VIQ of the Month winner, "BIGSQUEEZE", is the host of two popular People Connection rooms, NIGHT SHIFT and FENDER BENDERS. His name is Matt Hamrick, and he is a Sergeant in the Rangers at Ft. Benning, Georgia. Night Owl Matt can often be found in RabbitJack's Casino or People Connection's TRUTH OR DARE room.

"Grbblb" is really two people — George R. and Brenda L. Byles. George and Brenda received VIQ status by attend-

ing and winning many People Connection Auditorium events. George, along with a handful of other VIQers, helped develop and construct the VIQ Club in its early days nearly a year and a half ago.

One of the most recent VIQs of the Month, "Taras2," has been a member of Q-Link for over two years, and will celebrate her one year anniversary as a Club member next month. She's Mary Dworjan from Astoria, New York, and she's the host of VIQ Trivia in the Club Lounge twice a month.

You Too Can Be A VIQ!

If you're wondering, "What do I do to become a member, and join the ranks of these VIP's, er, VIQ's?" — It's easy! To become a member of the VIQ Club, all you have to do is accumulate 50,000 unspent "Q-Pons," either from using Q-Link regularly, or winning at contests, events, and giveaways.

When you reach a balance of 50,000 unspent Q-Pons, you'll automatically be enrolled in the VIQ Club. You'll be notified by E-Mail that you're in, and will receive a special VIQ Club rugby shirt.

AND, you'll have access to the private VIQ Club, with a lounge where you can chat with other VIQs and attend exciting events just for group members. There's also a Sneak Peeks area, which previews new services and promotions for VIQs, Club message boards, and best of all, a special software library full of programs selected with care by the VIQs themselves.

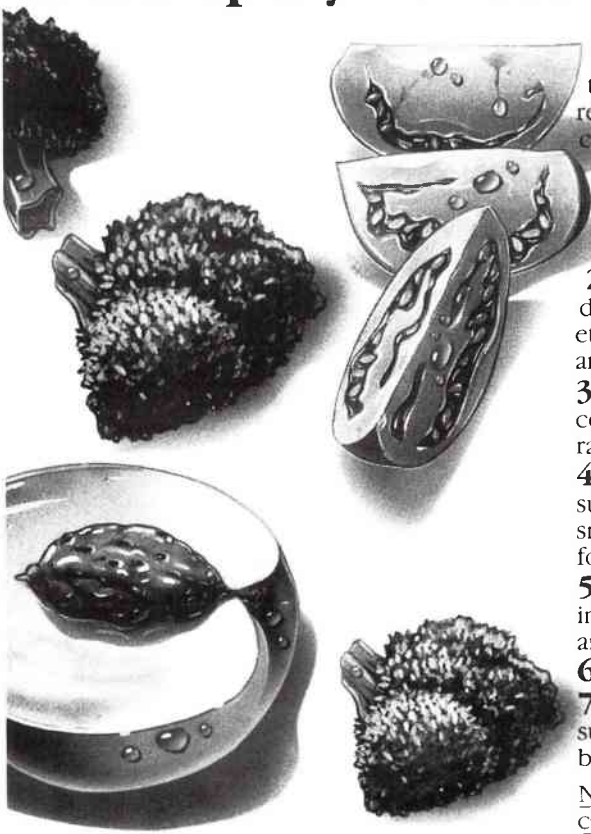
A defense against cancer can be cooked up in your kitchen.



There is evidence that diet and cancer are related. Follow these modifications in your daily diet to reduce chances of getting cancer:

1. Eat more high-fiber foods such as fruits and vegetables and whole-grain cereals.

2. Include dark green and deep yellow fruits and vegetables rich in vitamins A and C.

3. Include cabbage, broccoli, brussels sprouts, kohlrabi and cauliflower.

4. Be moderate in consumption of salt-cured, smoked, and nitrite-cured foods.

5. Cut down on total fat intake from animal sources and fats and oils.

Your Best Bet For Game Support is CIN's Game World

MARSHALL RENS

The Commodore Information Network's Game World Support Group is on your team when you need help with your public domain game programs. Highlighted on CIN's main menu this month, Game World has answers to all your gaming questions and thousands of public-domain game files you can download and enjoy.

Shoot the breeze with your fellow game lovers every night at 8 p.m. in the Game Room, Game World's informal meeting place.

"We pride ourselves on dealing with our members...to help them with game purchases and downloads, and just be a friendly ear when they need it," says Game World SYSOP SR.

If you run into trouble with public domain, shareware, or commercial software, Game World's Messages and Articles area is where gamers meet to exchange tips and ideas. Post a message on the Game Help Board and check the other posted messages for advice on finding obscure or discontinued games, or playing a game that's tougher than you expected. You'll receive answers from fellow gamers or Game World gurus SYSOP SR, SYSOP RF. Because many of these games were created by other Game World members, you can E-mail the author and receive strategy hints and help direct from the source!

About the Libraries

The Game World Software Libraries are about the biggest source of Commodore game software available anywhere. The Software Libraries are divided into areas by game category and the software available there is limited only by the imaginations of your fellow Q-Linkers. Interested in arcade-style games? The Arcade section of the Libraries has shoot 'em up, air and sea, space battle, sports, and dungeon-and-dragons style games.

Like to gamble? The Card and Chance section has casino, dice, and shell games in addition to card games, and horse and dog racing programs!

Enter a world of mystery or medieval excitement with the fantasy and strategy text games in the Adventure area. Or go on a lark in Stuff & Nonsense, where you'll find brain teasers, humor, and other unusual programs.

If you want to know about Game World activities and events, select News and Events for a complete list of monthly highlights and weekly conference topics. For more information about Game World, enter the About Game World area to find out how you can join up.

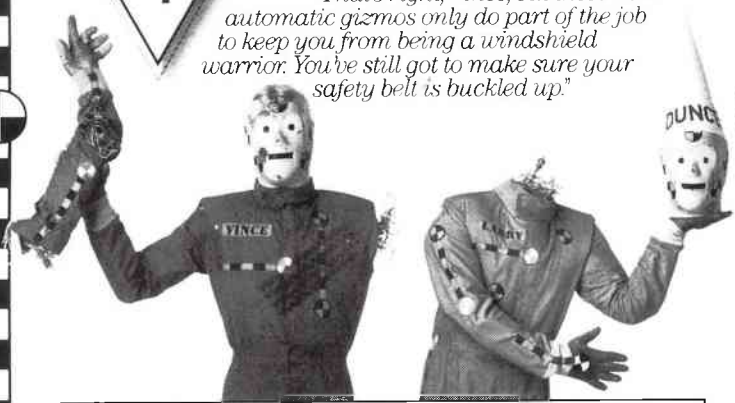
TAKE VINCE AND LARRY'S CRASH COURSE IN SAFETY BELTS.

LESSON NO. 1

"As you know, Larry, pretty soon all cars will come with automatic safety belts or air bags—and I don't mean your mother-in-law!"

"That's right, Vince, but these new automatic gizmos only do part of the job to keep you from being a windshield warrior. You've still got to make sure your safety belt is buckled up."



YOU COULD LEARN A LOT FROM A DUMMY. BUCKLE YOUR SAFETY BELT.

To fight crime in Philly, people plant posies.

"The bad part of town."

Abandoned cars. Sidewalks scattered with crack vials. Bombed-out buildings.

A neighborhood whose spirit is as broken as the bits of glass that dot the street. There are only two things to do if your neighborhood becomes a war zone: give up or take action.

The Philadelphia Story

One day, in the "bad part" of Philadelphia, a neighbor complained to a neighbor. And then to another. And then to more. People didn't like their homes being "taken over." Feelings of helplessness and resentment turned to action.

They went to the police for help.

Soon a substation was established where folks could readily report crime. Weekly meetings began. Community watches started. Things started getting fixed up. Vacant lots were cleaned up and fenced. Abandoned cars were towed away. Painting and repairing programs began.

The neighborhood was cleaning itself up. The local 4-H Club even helped set up garden clubs where kids, teens and adults could work together on plants and flowers while talking over ways to raise awareness.

When people care and get involved, neighborhoods change. When a block doesn't look like a haven for crime and drugs, it won't be. And in this part of Philly, where once only apathy grew, seven gardens now bloom.

This is only one success story of many. To find out what can be done in your neighborhood, write: **The McGruff Files, 1 Prevention Way, Washington, D.C. 20539-0001.**

And help...

Just a fraction of our time watching movies could help bring many happy endings.

It's so easy to help your community, when you think about it.

Millions of people have helped make five percent of their incomes and five hours of volunteer time per week the standard of giving in America.

Get involved with the causes you care about and give five.

Give Five.

What you get back is immeasurable.
